DANGER IN DELAY

Kidney Diseases Are Too Dangerous for Barre People to Neglect.

The great danger of kidney trouble is that they get a firm hold before the sufferer recognizes them. Health is gradually undermined. Backache, headache, nervousness, lameness, soreness, lumbago, urinary troubles, dropsy, diabetes and Bright's disease follow in merciless succession. Don't neglect your kidneys. Cure the kidneys with the certain and safe remedy, Doan's Kidney Pills, which has cured people right here in Barre.

Mrs. Annie Gibb, of 21 Brooklyn street, Barre, Vt., says: "For over a year I had more or less backache, brought on, I think, by a disordered condition of the kidneys. If I brought too much strain on the muscles of my back, sharp pains would take me, and I also suffered from headaches and spells of dizziness. When I overworked or caught cold it always made the trouble worse. I read a good deal about Doan's Kidney Pills and went to E. A. Drown's drug store for a box. Before I had taken all the pills in this one box my back was relieved, and when I had finished a second box the pains had ceased and I felt better in every way. I am glad to recommend such a reliable remedy as Doan's Kidney Pills proved to be in my case."

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Notice to Union Men of Barre and Vicinity.

It has been reported to the Central Labor Union of Barre that the so-called union stores of Barre, which this body have advertised as carrying full lines of union-made goods, have in some instances either failed to refill their shelves with union-made goods or are trying to push non-union-made goods in preference to union-made. This being detrimental to the interests of organized labor, the executive committee of the C. L. U. request all union men who fail to find union-made goods in the stores where they trade, or the merchants to refuse to get these goods at their request, to report all such cases to the union label committee of that body.

Grand tonic for the aged and for female weaknesses. Great alterative and body builder; sure cure for lame back and weak kidneys. Guaranteed by Red Cross pharmacy. Price 50c.

"SAY, THE BURLINGTON BONE AND MEAT MEAL IS THE STUFF FOR ME."

BURLINGTON BONE AND MEAT MEAL FOR PIGS—THE GREAT FATTENER

The Guarantee Analysis of BURLINGTON BONE AND MEAT MEAL is as follows: Protein, 42% to 50%; Phosphates, 12% to 15%; Fat, 8% to 12%.

In a careful experiment conducted by the IOWA EXPERIMENT STATION with various foods in that great hog raising State, it was demonstrated. First, That in the fattening of young hogs, a ration containing more Protein and Ash than a corn ration gave better results than a sole corn ration. Second, That a ration consisting of five parts corn and one part Bone and Meat Meal yielded over 10% greater profits than a ration of corn alone. As a feeding material for pigs, Bone and Meat Meal often decided advantages. It contains a high percentage of Protein, an important flesh forming element, and an amount of Phosphoric Acid that materially exceeds that found in grain or by-products of mills. The Phosphoric Acid for pigs is useful in building up Bone structure, an important feature with our pigs of to-day, while the Protein has a value universally recognized by feeders. If your local dealer does not handle write us. Your inquiry will have our instant attention. **BURLINGTON RENDERING CO., Burlington, Vt.**
